New volunteer - Adriana!

We have a new EVS volunteer from Spain.The 23 years old Adriana Valinho has arrived from Galicia. Right from the start she has been accepted by the children because of her sociability and openness.She is going to spend 1 year here with us.We hope she'll feel good here and will be a useful member of our team.

Scrabble competition

We have decided to train our brains with a Scrabble competition one evening. With the help of a chess clock we have limited the cooling time therefore a very intensive and thrilling competition developed from it.

Mexican food

As we knew it before Mexican food is very delicious. Especially when its prepared by experts. Our new volunteer Adriana and her Spanish EVS colleague from Bratislava Cali have showed their cooking skills by making the so called Quesadillas for the children in the center.We propably wont remember the name of the food but its taste will remind in our memory for some time..

One more volunteer sent: Beata to Hungary

In March our organisation has sent a volunteer again. Her name is Beata, and we have sent her to the organisation of Babuka to Hungary. She is going to work in a kindergarten. We hope, she will gain plenty of experience, what will be very useful for her future... We wish you good luck, Beata!
