HASTA PRONTO FERNANDO!!!

We are sorry to inform you, that Fernando, our Spanish volunteer had to return to Spain. We did not realise, but his 1 year EVS came to the end.

Seems, that this 1 year spent with us gave a lot to him, and also for us: for the staff of VMCM, for the kids, and also for the local community of Velky Meder. Fernando has very nice plans for his future in Spain: so maybe he will open a similar Youth Centre there! Just imagine! How big an influence VMCM had in his life! Hm... Anyway we spent a very nice time together, and we are sure, that we will meet in the future - hopefully soon!

Fernando! We wish you good luck!!!

Two Youth Exchanges in Hungary

In July and August some of our young members from Velky Meder and surroundings had the opportunity to participate in 2 youth Exchanges in Hungary

Youth Exchange in Egervölgye Youth Camp

In August - thanks to VMCM - we had an opportunity to participate in a youth exchange, called No References - No Experiences.

The whole exchange took place in Hungary. The camp was really friendly and comfortable. We shared a room with Hungarian girls. It was a bigger exchange with 5 countries - Slovakia, Italy, Romania, Poland and Hungary. The topic was about how to find an ideal job, and how to be the best worker. We did lots of exercises and workshops, played games and energizers. The people were friendly and open, it was really easy to work together.

Everybody was creative, that's why our exchange was better, than we expected at the beginning. We wrote songs (one of them, On The Way became the official song of the exchange), played theatre and city game in Miskolc, wrote poems and made really nice drawings and presentations.

We wrote songs (one of them, On The Way became the official song of the exchange), played theatre and city game in Miskolc, wrote poems and made really nice drawings and presentations. Of course, we learned the main aims of the project of the EU - Youth in Action. It was a perfect exchange, which I'm really thankful for - the best 2 weeks of my summer :)

The next youth exchange we plan in Poland.

Of course we will inform you about it as well"

Spanish day

Our Spanish volunteers invited to VMCM their Spanish friend, so we had a really good opportunity to organise a Spanish day. Tortilla, olives and Spanish games were very popular between the kids. Since that time they are still playing Spanish Card-games...

So this was the way how we have spent the summer holiday...

Kind regards from VMCM team! J
